

Exciting, New Opportunity for

Pre-Parking

for

On-Site Camping

Next year, we have an exciting new opportunity for our **Amazing Fans**. This opportunity will be offered through presale or at the gate when you arrive on-site. Should you have any additional questions please feel free to stop by the Box Office onsite or call the Box Office after the event at 1-800-624-5456.

- We are very pleased to offer for the first time ever Jamboree **in the Hills Pre-parking for our On-site campers**.
- This pre-parking service will be located on our premises in Campground D. This lot will be monitored by Jamboree In The Hills staff 24 hours a day.
- The Jamboree In The Hills pre-parking lot will be the first lot to be parked on Monday Morning, July, 16, 2012.
- These tickets will go on sale on **Wednesday, November 30, 2011** and can be purchased by calling 1-800-594-8499 or on-line at www.jamboreeinthehills.com
- **We will park all campers on our property prior to taking campers from any other location** Once our pre-parking lot is empty we will then begin taking campers in the normal order of lots pulled.
- The camping pre-parking will be sold based on the number of days you wish to pre-park with us. For example – If you arrive on Sunday, July 8, 2012 you will purchase the 8 day pre-parking ticket.
- We will park on our property based on the order of arrival onto our site, not based on the order you purchase your ticket.
- Our lot will open up for pre-parking only on Sunday, July 8, 2012 at noon.
- A sheriffs' deputy will be positioned at the junction on County Road (CR) 84 and CR 808(this is the normal onsite camping route). The deputy will not allow any camper traffic for our onsite parking to travel down CR 808 until 12:00pm on Sunday.
- Only once all traffic has been cleared from the road will we begin to pull from private property.
- Deputies will be patrolling CR 84 and will not allow campers to be parked alongside the road. Any vehicles parked on the road will be told to move or towed at the deputies' discretion.
- The cost for pre-parking will only be \$20.00 per day.
- Our camping pre-parking lot is NOT a campground. All campers must be dropped. You may return to your vehicle on Friday, July 13, 2012 beginning at noon and may camp/stay until Monday, July 16th when we begin parking all campers.

Keep up to date with all information by visiting our website at www.jamboreeinthehills.com
