30 YEAR ANNIVERSARY

**PLEASE NOTE: Reserved camping for JITH '06 is now sold out.**

## **A SPECIAL MESSAGE FROM JITH**

**Without a doubt... the best way to experience Jamboree in the Hills is to come all four days. But you gotta sleep sometime. Unfortunately, we can't let you stay overnight in your lawn chair after the concert... and hey, how about a shower, huh?**

**We have provided a list of hotels in our local and extended area for you to choose from. Many of our local hotels fill up quickly, so act fast to book the most convenient locations.**

**For those of you who enjoy the camping life, we have some of the greatest camping fans you'll ever run into!**

**Year after year, in pup tents to plush motorhomes, fans return in droves to our campgrounds. They come for the music, the food, the fun, the drink, and the friendships they've built with Jamboree in the Hills fans from far & wide.**

**Jamboree in the Hills campground life may not be for the faint of heart (unless you've got one of those \$100,000 motorhomes), but to our campers, it doesn't get any better.**

## **CAMPING**

**When the speakers go silent and the spotlights go dim, the Jamboree In The Hills party moves to the campgrounds. Our Jamboree in the Hills campers are some of our most loyal fans... the folks who keep coming back 5...10...15 years to one of country music's greatest events. Out of our campgrounds comes much of the heart and soul of the Jamboree in the Hills experience. Our campers, to a large extent, set the tone for our event - a tone which has allowed us to become known as one of the friendliest and most fun-filled concert events of this size in the country!**

**We have 2,700 "primitive" style camping spaces with no hookups. We can accommodate tent camping as well as camping vehicles.**

**We have portable toilets, showers, "water tanks," and dump stations. Campgrounds open **NEED NEW DATE AND TIME HERE**. Camp up to 7 days for one low price!**

30 YEAR ANNIVERSARY

- Campers are parked in order of arrival; the earliest arrivals get the best spots. If you want to camp with friends, you need to arrive together.

We cannot "reserve" spots.

- Three of the campgrounds (A,B,C) are adjacent to the concert site (within 400 yd.) • Campgrounds D and E are remote, about 3/4 mi. We provide shuttle buses to and from the concert area.

- One camping pass gets one vehicle into the campgrounds. You may have an extra vehicle if on a legal tow bar.

We do not allow second vehicles to follow you in to unload supplies, etc. We do have a remote parking lot available for second vehicles, however, with shuttle service.

We frequently sell out all of our spaces to advance buyers by mid-June. It's best to order your camping pass early.

**PLEASE NOTE: Reserved camping for Jamboree in the Hills '06 is sold out.**
